#### **Independent Auditors' Report**

To the Board of Directors
OAO Severstal

#### Introduction

We have reviewed the accompanying consolidated interim condensed statement of financial position of OAO Severstal (the "Company") and its subsidiaries (the "Group") as at 30 June 2010, the related consolidated interim condensed income statements and consolidated interim condensed statements of comprehensive income for the three- and six-month periods ended 30 June 2010 and 2009, and the related consolidated interim condensed statements of changes in equity and cash flows for the six-month periods ended 30 June 2010 and 2009, and selected explanatory notes (the "consolidated interim condensed financial information"). Management is responsible for the preparation and presentation of this consolidated interim condensed financial information in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. Our responsibility is to express a conclusion on this consolidated interim condensed financial information based on our reviews.

## Scope of Reviews

We conducted our reviews in accordance with International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of consolidated interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the consolidated interim condensed financial information as at 30 June 2010, and for the three- and six-month periods ended 30 June 2010 and 2009 is not prepared, in all material aspects, in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

## Notes to the consolidated interim condensed financial statements Six months ended June 30, 2010 and 2009

(Amounts expressed in thousands of US dollars)

## 1. Accounting policies and estimates

These consolidated interim condensed financial statements of OAO Severstal and subsidiaries ('the Group') have been prepared in accordance with International Financial Reporting Standards ('IFRS'), IAS 34 "Interim Financial Reporting", as issued by the International Accounting Standards Board.

The accounting policies applied by the Group in these consolidated interim condensed financial statements are the same as those applied by the Group in its consolidated financial statements for the year ended December 31, 2009, except that the Group has adopted those new/revised standards mandatory for financial annual periods beginning on January 1, 2010. The adoption of the pronouncements did not have a significant impact on the Group's consolidated interim condensed financial statements except for those discussed below.

# Change in accounting policy for business combinations

The Group has adopted revised IFRS 3 *Business Combinations* and amended IAS 27 *Consolidated and Separate Financial Statements*, which became effective as at 1 January 2010.

Revised IFRS 3 and amended IAS 27 incorporate the following changes that are relevant to the Group's operations:

- The definition of a business has been broadened, which results in more acquisitions being treated as business combinations.
- Transaction costs, other than share and debt issue costs, are expensed as incurred.
- Total comprehensive income/loss is attributed to the owners of the parent and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Revised IFRS 3 and amended IAS 27 have been applied prospectively and therefore there is no impact on prior periods in the Group's 2010 consolidated financial statements.

#### Change in presentation of the statement of changes in equity

The Group applied amended IAS 1 *Presentation of Financial Statements*, which became effective as at 1 January 2010. The amended standard requires presentation in the statement of changes in equity of a reconciliation, for each component of equity, between the carrying amount at the beginning and the end of the period, separately disclosing changes resulting from profit or loss, each item of other comprehensive income and transactions with owners. The amendment was applied retrospectively by re-presenting the comparative information.

## 2. Seasonality

There are no material seasonal effects in the business activities of the Group.

# 3. Discontinued operation and assets held for sale

The Group's discontinued operation represents the Lucchini segment which is classified as held for sale as at June 30, 2010.

The results of the discontinued operation were as follows:

	Six months en	ided June 30,	Three months ended June 30,		
	2010 (unaudited)	2009 (unaudited)	2010 (unaudited)	2009 (unaudited)

non-controlling interests		(37,855)		(25,715)	

Furthermore, there was a cumulative net loss of US\$ 46.6 million recognized in other comprehensive income as at June 30, 2010 in relation to foreign exchange differences and changes in cash flow hedges for the Lucchini segment.

The Lucchini segment was classified as held for sale as at March 31, 2010 and measured at fair value less costs to sell as at that date. As at June 30, 2010 management reassessed the fair value less costs to sell of the Lucchini segment and recognized an additional loss of US\$ 207.9 million.

The fair value less costs to sell was measured using a combination of valuation techniques. The valuation is sensitive to changes in certain assumptions, including Lucchini's forecast operating results, the market prices of equity instruments of Lucchini's peer group, as well as other inputs related to current and future market conditions.

The losses were allocated to property, plant and equipment and intangible assets on a pro-rata basis.
