#### 1. General Information

#### **Authorization of Accounts**

The unaudited Consolidated Interim financial statements are presented by PJSC "Southern Telecommunications Company" (hereafter - "Southern Telecommunications Company") and its subsidiaries (together - the "Company") for the first six months of 2008 ended 30 June 2008.

#### The Company

The Company is an open joint stock company incorporated in accordance with the laws of the Russian Federation.

The registered office of the Company is in the city of Krasnodar (the Russian Federation), 66 Karasunskaya street.

The Company provides telephone services (including local and intrazone telephone services), telegraph services, data transmission services, rents out communication and radio communication lines in the territory of the Southern Federal District of the Russian Federation.

OJSC Svyazinvest is the Company's parent company which owned 50.69% of the Company's ordinary voting stock as at 30 June 2008. OJSC Svyazinvest is controlled by the Federal Government of the Russian Federation.

Information of the Company's main subsidiaries is disclosed in note 7. All subsidiaries are incorporated under the laws of the Russian Federation.

#### 2. Basis of preparation of financial statements

#### Statement of compliance

These consolidated financial statements have been prepared and presented in accordance with International Financial Reporting Standards ("IFRS.") The financial statements of PJSC " Southern Telecommunications Company " for 6 months of 2008 according to IFRS are presented as the balance sheet, profit and loss statement and notes to the financial statements. These financial statements do not contain all disclosures required by IFRS (IASO) 34 " Interim reports " as well as by other IFRS Standards and corresponding interpretations approved by the IFRS Committee (IFRIC), in respect of the presentation of the comparable data on PP&E in notes as well as of non-disclosure of the interim Consolidated Statement of Changes in Equity and the interim Consolidated Statement of Cash Flows.

When examining the indicated data, one should take into consideration the Company's Annual Consolidated Financial Statements for the year ended 31 December 2007.

#### **Presentation of financial statements**

The consolidated financial statements are prepared based on the standalone financial statements of the parent company, OJSC Southern Telecommunications Company, its subsidiaries and associates using unified accounting policies.

(in million Russian rubles)

#### **Accounting principles**

These financial statements are prepared based on the statutory financial statements in accordance with the Regulations on Accounting and Reporting of the Russian Federation, with adjustments and reclassifications recorded for the purpose of fair presentation of financial position in accordance with IFRS.

The consolidated financial statements have been prepared under the historical cost convention except for the following items: property, plant, and equipment recognized at fair value; available-for-sale investments measured at fair value.

#### Revision of the financial reports of the previous periods

#### Fair value of PP&E

The Company transitioned to IFRS as of 1 January 2003 using the provisions of IFRS 1 *First-time Adoption of International Financial Reporting Standards*.

The Company has applied an exemption permitted by IFRS 1 which allows an entity to measure property, plant, and equipment at the date of transition to IFRS at fair value and use that fair value as deemed cost.

For the purposes of the unaudited consolidated interim financial statements for the first six months of 2008 the Company adjusted the carrying value of property, plant and equipment in accordance with the data presented by the independent appraiser (Note 5).

The Company adjusted by retrospective restatement the corresponding balance sheet items presented in 2007 financial statements, on the basis of the results of estimating PP&E.

	Before adjustment	Estimation result	Total adjustments	Taking adjustments into account
Property, plant and equipment	32,857	(1,621)	(1,621)	31,236
Total assets	39,088	(1,621) _	(1,621)	37,467
Deferred income tax liability	(953)	389	389	(564)
Total current liabilities	(31,128)	389 =	389	(30,739)
Retained earnings as of 31 December 2007	(7,960)	1,232 <sub>=</sub>	1,232	(6,728)

Impact of adjustments on 2007 financial result will be presented in the Company's consolidated financial statements for 2008.

#### **Changes in Accounting Policies**

The accounting policies adopted are consistent with those of the previous financial year. Adoption of new and revised standards and interpretations did not have significant effect on the financial statements of the Company.

The changes in accounting policies resulted from adoption of the following new interpretations in 2008:

- IFRIC 11, IFRS 2 Group and Treasury Share Transactions;
- IFRIC 12 Service Concessions Arrangements;
- IFRIC 14 IAS 19 The Limit on a Defined Benefit Asset, Minimum Funding Requirements
- and their Interaction;

The principal effects of these changes in policies are discussed below:

#### IFRIC 11, IFRS 2 – Group and Treasury Share Transactions

*IFRIC 11* determines whether certain transactions should be accounted for as equity-settled or as cash-settled under the requirements of IFRS 2, and relates to the accounting treatment of share-based payment arrangements that involve two or more entities within the same group. This interpretation did not have a material effect on the result of operations or financial position of the Company.

#### IFRIC 12 Service Concessions Arrangements

IFRIC 12 *Service Concessions Arrangements* sets out general recognition principles for the obligations and related rights in service concession arrangements. This Interpretation did not have a material effect on the result of operations or financial position of the Company.

# *IFRIC 14 IAS 19 – The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction.*

*IFRIC 14 IAS 19 – The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction* provides guidance on how to assess the limit on the amount of surplus in a defined benefit scheme that can be recognized as an asset under IAS 19 *Employee Benefits.* This Interpretation did not have a material effect on the result of operations or financial position of the Company.

During the reporting period the Company has not applied ahead of time new or revised IFRSs and IFRIC Standards and Interpretations.

(in millions Russian rubles)

#### **Foreign Currency Transactions**

The measurement functional and presentation currency of the Company is the Russian Rouble, which is the national currency of the Russian Federation. Transactions in foreign currencies are initially recorded in the measurement functional currency at the rate ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the measurement functional currency rate of exchange ruling at the balance sheet date. All resulting differences are taken to the consolidated income statement as foreign exchange gains (losses). Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of initial transaction.

Assets and liabilities settled in Roubles but denominated in foreign currencies are recorded in the Company's consolidated financial statements using the same principles as for assets and liabilities denominated in foreign currencies.

The exchange rates as of 30 June 2008 and 31 December 2007 were as follows:

	30 June	31 December
Currency	2008	2007
Russian Roubles per US dollar	23.4573	24.5463
Russian Roubles per Euro	36.9077	35.9332

#### 3. Main Accounting Policies

The consolidated interim financial statements are prepared on the basis of a uniform accounting policy of the Company for 2008, adjusted taking into consideration requirements of the above-stated new / revised standards / interpretations and the version of the accounting policy for the previous year.

#### 4. Significant Accounting judgments and estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are the same as described in the Consolidated Financial Statements for the year ended 31 December 2007.
